Saturday, January 24, 2015

9:30 a.m. – 11:30 am.

The NCAA: A Brave New World? A Look at the Legal Challenges Facing the Most Recognized Governing Body in Collegiate Sports

The National Collegiate Athletic Association (NCAA) currently is enmeshed in several pieces of litigation, covering both player health and safety and the rights to compensation for those who play collegiate sports. What will the outcome of these legal matters be on the NCAA and its member institutions? Will there be a seismic shift or a continuation of the status quo? What are the NCAA member institutions doing to curb the potential effects of the NCAA's litigation? From an ethical standpoint, how do these questions and their answers remain in line with the NCAA's mission statement and core values? The Florida Bar Entertainment, Arts & Sports Law Section presents a panel discussion on these issues, featuring attorneys who have first-hand experience with these issues and a journalist who reports on them.

Moderator: Bram Maravent, Esq., West Palm Beach

Panelists:

Greg Curtner, Esq., Schiff Hardin, Ann Arbor, MI
Andy Staples, Sports Illustrated, Gainesville, FL
Greg Herbert, Esq., Greenberg Traurig, P.A., Orlando, FL
